Design*

Jan '11-May '13

Experience

TRADELOT, Interior Designer

Jul '17 - Sep '19

- Develop trusting professional relationships with clients while working closely to plan and execute interior design goals for their homes
- Coordinate decor for a variety of design styles, specifically industrial, rustic and coastal
- Create and present 3D renderings to accurately demonstrate design concepts, layout and scale
- Schedule vendor deliveries with minimal interruption to client schedules

CLOUD CLEARWATER, Interior Designer

Aug '15 - Jul '16

- Collaborated with commercial clients to provide design for residential model homes and condos, hotels and offices buildings, completing all projects on time and within budget
- Created customized estimates based on client requirements
- Selected lobby artwork and accessories for historical hotel redesign, which was featured by local media outlets and contributed to a 30% spike in bookings over an initial 3-month period

Skills

- Adobe Photoshop & AutoCAD
- Style & Color Coordination
